WEBSITE NEWS

The Belknap White Group Launches New Website, Tiles International site merged with Belknap

At the end of July, The Belknap White Group launched its newly redesigned website! The site was created to be mobile friendly, easy to navigate and centered around our customer's digital experience with Belknap. This shift marks a significant change from our old site, and provides a base for new tools and systems as we move forward. Exciting new features include:

1. An updated and clean mobile interface.
2. A 24/7 hub for digital content and information. Check out our resources section for Belknap events, news, installation videos, and more.
3. An introductory platform for new digital tools and digital content. Also take a look at our social media pages, on Pinterest, Facebook, and LinkedIn and also be sure to check back as we add new tools to the site.

Customers who currently have access to Decor 24, Belknap's 24/7 online ordering, product search, and historical invoicing system will still have access by clicking on the Order button. If you do not have an account, but would like one, you can apply for an account on the website at www.belknapwhite.com/order/.

As part of this change, the Tiles International website, which could be accessed at www.tilesinternational.com, will now redirect you to The Belknap White Group's site. You can still find information about our location in Orchard Park, the products we offer, events we are holding and more at www.BelknapWhite.com. If you have any questions about the new website, or how you can find information, please contact Jillian Stworzydla at jillian.stworzydla@belknapwhite.com.
