NEW PRODUCTS

Atlas Concorde USA releases new products for Fall

Atlas Concorde USA has announced the release of 5 new lines: Jute, Chester, Plaster, Rift and Native. We've highlighted two of these new lines below and will feature others in upcoming issues of our Contractor's Update.

Chester: The reference of used leather, rich in grain, ruts and cracking is exaggerated in the three-dimensionality of this collection. The leather look is expressed in four shades, ranging from light to dark, making CHESTER versatile for warm and modern spaces. The Plait Mosaic mixes in rustic versions of leather and wood, both delivering environments with a relaxed and sophisticated appeal.

4 colors: Biscuit, Dove, Saddle, & Cigar
1 size: 12x24
Mosaics: 2x2 mosaic, 2x6 Plait Mosaic
Trim: 2x24 Listello, 3x24 Bullnose, 6x12 Cove Base

Jute: Graphics eloquently mimic the reliefs of jute to give extreme three-dimensionality. Fibers consumed and recycled, with rips and stains, immediately present a casual look. The modular combination of Herringbone Mosaic allows you to mix the four warm colors to decorate cutting-edge spaces.

4 colors: Pure Cotton, Deep Fog, Tan Burlap & Brown Coffee
1 size: 12x24
Mosaics: 2x2 mosaic, 2x12 Herringbone Mosaic
Trim: 2x24 Listello, 3x24 Bullnose, 6x12 Cove Base

Pricing is now available on all of these new items. Call 716-662-4441, or stop by our showroom to see these products and more from Atlas Concorde USA.
