

# Introducing S-1000 and S-980 for use with Luxury Vinyl Tile

**S-1000 and S-980 Flooring Adhesives** are designated for use with LVT in high RH% concrete slab conditions. S-1000 is a simple, fast-curing one-part modified urethane system with a high moisture guarantee up to 100% RH. S-980 creates a strong, permanent bond with a high moisture guarantee up to 98% RH. Both are compatible with the Strong System™.
