

# Snippet

5 colors; 2 faces; 1 size... who knew you could get such creativity within a small little package? With Snippet, you can. With just a left and right mirrored iteration of bold, graphic geometry, an almost endless array of patterns can be created to help you express your vision! The tone-on-tone design feels edgy and organic all at once, and the colorways match Crossville's Swatches lines to add even more options to your design.

Crossville Snippet has endless pattern options to help you design your own unique arrangement.
