WELCOME FEBRUARY!

How time flies! January is almost up, and as we move into February, we'll be bringing in new products and materials to fit your design and building needs.

Although the weather may be cold, we have great selections on in-stock products to keep you warm as the winter continues!

We are so grateful to you all for sticking out the storms with us and we look forward to providing you or your clients with the material necessary to create dream projects as the year goes on.

"Lost time is never found again."

~ Benjamin Franklin

Bigger is Better!

Can bigger be better? Of course! As design and trends evolve, so do the materials. A 24" x 24" tile could be just what you need for a large coverage area.

We carry various colored, neutral, and patterned 24" x 24" tiles that can be used to create a beautiful base for any room design.

Come by the showroom to see what we have to offer!

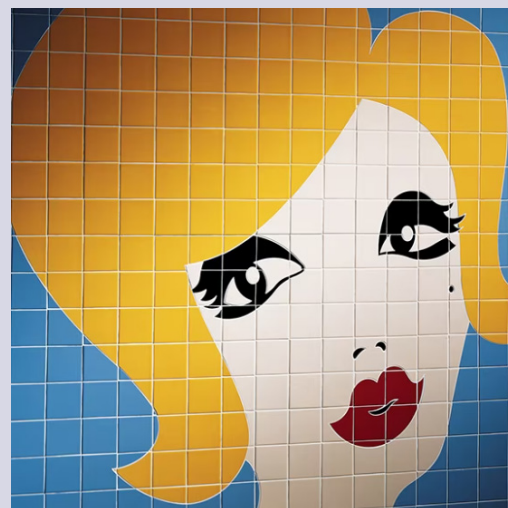

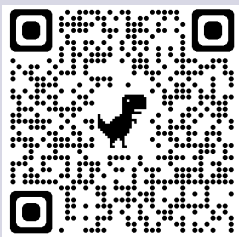

American Olean Uncommon Canvas

Design unique works of art and make already one-of-a-kind pieces more fascinating with tile. Uncommon Canvas is a fun, creative and unconventional way to create personal pieces that express your individual style. From abstract designs to portraits, art is re-imagined through Uncommon Canvas.
